

A very special thank you to

Adelina Gschwandtner

for going above and beyond
for our students

Our Students Said

Adelina has a clear passion for what she does. She has been so positive and understanding this year, especially with the difficulties that the pandemic has brought to teaching/learning. When needing any help or support she has always been super helpful and ensured all her students were doing well, checking in with us in seminars or meetings. Thankful to have been taught by her this term!
