Hello,

I hope you're well and getting to enjoy the sunshine!

We know that a huge number of staff have been working hard to make the lives and experiences of students as positive as possible during challenging times, and it's really important to us that we recognise that in whatever way we can. Since March 2020, over 1000 Above and Beyond nominations were submitted by students, but we simply didn't have the resource during the pandemic and subsequent lack of resources to properly administer the nominations and reward those incredible staff...but now we do!

The certificates are nearly finished, the nominations have been incredible, and now we're sending out invitations to nominees to attend a drinks reception on **Wednesday 18th May, at 4pm in Darwin Conference Suite**. It is my absolute pleasure to invite you to this Above and Beyond Awards Reception, to celebrate with colleagues and hear some inspiring stories. If you plan to come along, could you please RSVP via [this form](#) by Tuesday 10th May.

Thanks and best wishes,
Emilie
